

STUDENT CONFERENCE 2021 DATA & FEEDBACK

INTRODUCTION

Student Voice is critical to the development of NWRC SU and the College as a whole. A Student Conference is the essence of good quality Student Engagement; staff and students co-working in a non-hierarchical way. We can't run this place without the input of students. To us in the SU Your Voice really does matter. Your views, ideas and opinions will help us tailor our provision to you next year. Remember your opinion can't be wrong as it belongs to you and is therefore also important.
